

Restraint of Trade

23 April 2015, Thursday
JTJB Office

ABOUT THIS SEMINAR

Employers often face a situation where employees who have gained in-depth knowledge of the business and confidential information leaves to join a competitor. Restraint of trade clauses in employment contracts may help protect the interests of the employer. However, restraint of trade clauses may not always be enforceable.

In this seminar, we will discuss:

- a) The various types of restraint of trade clauses in employment contracts
- b) Enforceability of restraint of trade clauses
- c) Common pitfalls when drafting restraint of trade clauses
- d) Recent Court decisions in relation to restraint clauses
