

JTJB COMMODITIES UPDATE & WINE NETWORKING EVENT

Credit Defaults & Fraud in International Trade

As the year comes to a close, join us for a wine networking event at The Providore in OUE Downtown. Our Head of Energy & Resources, Baldev Bhinder will provide a short update on trends over the last year connected with credit defaults and fraud in international trade.

JTJB will also have guest speakers from the London Metals Exchange (LME) to provide updates on fraud mitigation as well as from a financial institution on developments in blockchain technology in international trade. After the 3 short presentations over 30 minutes, wine, cheese and networking will flow from 6.30pm onwards.
